“TIME SPENT AMONG TREES IS NEVER WASTED,” is a quote that we love, and it sums up this prize package perfectly.

Your urban forest encounter begins with the UBC Botanical Garden’s breathtaking **GREENHEART TREE WALK RAINFOREST EXPERIENCE**. You and three friends or family members will tread suspension bridges slung from tree top to tree top in this amazing adventure.

At ground level, you’ll enjoy a fascinating nature walk with **TALAYSAY INDIGENOUS TOURS**; we highly recommend their Stanley Park Experience. And speaking of the park, you’ll receive a beautiful framed, limited edition **DANIEL ROTMAN** photograph of Stanley Park trees. All of this will get you pumped up to browse through **LEGACY OF TREES**, local author **NINA SHOROPLOVA’S** new book about the trees of Stanley Park—a finalist for the prestigious Lieutenant Governor’s Historical Writing Award.

Later on, invite a friend to join you for two complimentary cups of java from **TREES ORGANIC COFFEE**, or make it at home with a 340g bag of delicioso Mexican roast.
